---

Thank you for your continued co-operation and compliance with Covid 19 protocols. Please continue to observe HSE advice.

Please make sure we have the correct contact details for you – **mobile number and email address**. Some parents have unsubscribed to emails from the school. This is the only way we can contact you in the case of an emergency. A text will always be sent alerting you of an email, so it is important to check your emails and also the spam/junk folders.

### **Covid Test/Quarantine:**

If your child or a member of your family is getting a Covid Test or is in quarantine, we would appreciate if you could inform the school on 01-4592986.

### **Active School Week:**

The pupils thoroughly enjoyed Active School Week with many visits to Corkagh Park and the Community Centre as well as activities in the school yard.

As you are aware, work has commenced on the field adjoining the school. Trees have been cut down and the sound of bird song is now replaced by the sound of chainsaws. Fencing has been erected at the back of the school and we are told that building work won't begin until the school is closed for the summer holidays.

If you are collecting your child or children early, please ring the school in advance. When you arrive, do not enter the school – please ring the doorbell and someone will bring your child out to you.

**Masks:**

I appeal to all parents/guardians to ensure they keep a distance of 2 metres when dropping and collecting their children from school. Could we remind everyone that they **must** wear a **mask** once they pass the school gate.

**Thank You To All Pupils and Parents**

**Enjoy the Weekend**

Le gach dea ghúí

**Ms. Burke-Heneghan and the Staff of Scoil Mhuire**
