Stepping Up Our Energy

This year in Scoil Mhuire we are all working hard to "Step Up" our energy. For one week every month we have to track the amount of steps our class has taken. We all tried very hard to fit in some extra activities like walking to the park, some extra Zumba activities and our cross country training to try to increase the amount of steps we had taken.

Novembers winners were:

Golden Boot – Fourth Class Room 12

Silver Wellie – Second Class Room 14

Fluorescent Fit flop – Junior Infants Room 3
